Reference: Application for and Adjustment in Sewer Rates by the Farmdale Development Corporation
Case No. 2006-00028

Dear Ms. O'Donnell,

In response to your letter dated February 2, 2006 , I am requesting that the Public Service Commission grant me intervention as a consumer in Case No. 2006-00028.

It is still our contention that this is a complete rip-off of consumers who are required to use the Farmdale sewer plant and should not be allowed by the PSC.

Thank you for your assistance and feel free to contact me if you have any questions or require additional.

Sincerely,

Kenny Glass *Marilynn Glass*
